SUBMISSION OF SEQUENCE LISTING UNDER 37 CFR §§1.821-1.825

Sir:

Transmitted herewith is a replacement Sequence Listing in computer readable format (CRF) under 37 CFR §§1.821-1.825 for the above-identified patent application. A paper copy and computer readable format of the Sequence Listing was submitted to the Patent Office on August 5, 2002 in response to a Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) dated June 4, 2002. A Notification of Defective Response dated December 10, 2002, with an attached CRF Problem Report, was subsequently received from the Patent Office. A copy of the Notification of Defective Response is enclosed herewith, along with a copy of the CRF Problem Report. The CRF Problem Report indicates that the CRF of the Sequence Listing submitted August 5, 2002 was unreadable.

I hereby certify that the paper and computer readable copies contain the same information and that no new material is added by this submission.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,

Doran R. Pace
